FUSION CLASS DESCRIPTIONS

Fusion-based classes blend multiple fitness modalities into a single workout. They can combine elements from yoga, Pilates, strength training, cardio, and sometimes dance, offering a fun, innovative approach to fitness.

Body Blend - An invigorating, flowing fusion of yoga, Pilates, and fitness for strength, flexibility, balance, mobilization and relaxation. This class may include various fitness equipment to add variety and challenge you. It will surely start your day right, leaving you feeling energized and strong.

Cardio Fusion - This dance-based cardio workout fuses traditional HiLo with choreography inspired by Latin, Pop, African, and even a hint of Belly dance. Leave your inhibitions at the door and let the music move you! All fitness levels are welcome.

Strength Fusion - A unique blend of traditional strength training using body bars/dumbbells/balls fused with Yoga and Pilates-inspired core & balance work. Build body strength and lean muscle as you lengthen your spine and open your joints!

ACTIVE OLDER ADULT CLASS DESCRIPTIONS

These classes are specifically designed for active older adults. They improve strength, flexibility, balance, and cardiovascular health. These classes offer age-appropriate workouts that enhance overall well-being in a supportive environment.

Posture Perfect - This strength training class mainly targets the lower body, mid-back and core muscles to improve posture. Leave feeling stronger and taller!

Prime Time Cardio - Fitness improves regardless of age! This low-impact cardio class is easy to follow for those who wish to keep their hearts young.

Stretch and Strength - Older is better! Improve strength, balance, and coordination to live independently longer and have more energy. Use a variety of equipment and finish with a stretch.

PACE - Designed for those with arthritis and/or those who wish to maintain or improve joint mobility. Participants engage in range-of-motion, stretching, strength-building, conditioning exercises, balance and coordination activities, and relaxation and breathing techniques.

CARDIO BASED CLASS DEXRIPTIONS

Cardiovascular-based classes focus on improving heart health, endurance and overall fitness through aerobic exercise.

Cardio Combo - This exciting workout is designed to make you sweat and is fun and challenging. Complete the challenge with core conditioning and leave refreshed after your stretch.

Step Express - Looking for a fun and challenging step routine? This class will test your coordination, agility, and cardiovascular conditioning with advanced, dynamic choreography (turning and jumping) on the step. It will keep your mind and body active.

Cardio Express - Are you limited in time? This 30-minute class is cardio only. A quick warm-up and cool-down let you focus on raising your heart rate and moving your body. There is no floor work—this session keeps you on your feet!

STRENGTH-BASED CLASS DESCRIPTIONS

Resistance training classes focus on building muscle mass, increasing strength, and enhancing physical conditioning. These classes incorporate weights, resistance bands, and bodyweight exercises to target major muscle groups, improve muscular endurance, and boost metabolism.

Barbell Flex - This class primarily uses barbells and is structured to help you build muscle strength and tone. The class format and exercises remain consistent for one month, allowing you to increase your weights and improve your technique progressively. This structured approach ensures steady progress and effective results over the month. No class on Stat holidays.

Strength Fit - Get your fix for firm legs, toned arms, and sculpted abs. This class is 100% dedicated to muscle work. Make resistance training part of your routine to build your strength, lean muscle, and metabolism.

TRX Fit - TRX Fit utilizes suspension training to leverage body weight for a comprehensive workout. This class will improve strength, balance, flexibility, and core stability. TRX Fit suits all fitness levels, offering scalable intensity to match individual capabilities. Cardio and other resistance equipment may be included at the instructor's discretion. There is no class on Stat Holidays. Registration is required.

Strong and Calm - Focusing on strength, this total-body workout uses various training techniques and equipment to build muscular strength and muscular endurance. It finishes with a wonderful mix of stretches and breathwork to calm the body and mind.

ViPR Strong - This class uses ViPR weighted tubes to combine strength training with functional movement. ViPR Strong incorporates a variety of lifting, shifting, and twisting exercises to enhance agility, coordination, and athletic performance. This full-body workout is designed to improve strength, mobility, and cardiovascular endurance.

STRENGTH AND CARDIO BASED CLASS DESCRIPTIONS

Fitness classes that combine cardiovascular and strength training offer a balanced workout to improve heart health, muscle strength and endurance.

Boot Camp - Boot camp is an intense, high-energy class that combines cardio, strength, and functional exercises. It will help improve endurance, strength, and overall fitness. There is no class on Stat Holidays, and registration is not required.

TBC - Total Body Circuit - Get it all in one class: heart-pounding cardio plus a great strength workout! This station-to-station workout may include BOSU, steps, weights, or tubing. Perfect for those short on time but high on energy!

Spice it Up - Every Spice it Up class takes a unique approach to incorporating different fitness components, including cardio, strength, flexibility, balance, and everything in between. Each month, a poster outside the Fitness studio will outline the focus of each week.

Sweat and Sculpt - This fun, functional workout includes strength, balance and low-impact cardio. It will enhance your muscle tone while focusing on your core to support posture, flexibility and confidence for a fun, functional workout.

ANTIGRAVITY CLASS DESCRIPTIONS

Antigravity Fundamentals 1 - Experience the power, excitement and pure joy of moving freely through open space in the AntiGravity Hammock. Participants will become familiar with the AntiGravity Hammock and the new sensation of both inversions and flying. Participants will build confidence and knowledge in the foundational movements. Classes incorporate zero-compression inversions, suspended stretching and strengthening. AntiGravity Fundamentals decompresses the spine and improves strength and flexibility. Suitable for people who have never done an AG class and/or people who are still mastering the Fundamentals. Participants must arrive to class 5 minutes before class starts to measure for correct hammock height. Registration Required.

Antigravity Fundamentals 2 - Classes incorporate Zero Compression inversions, suspended stretching and strengthening, and, most importantly, fun. Participants must have taken three AntiGravity Fundamentals 1 classes and be comfortable with inversions. Registration is Required.

Antigravity Suspension Fitness - Suitable for people who have never done an AG class and/or are still mastering the Fundamentals. AntiGravity Suspension Fitness further challenges your strength, flexibility and core while decompressing the spine. Experience the power, excitement and pure joy of moving freely through open space in the AntiGravity Hammock. Registration Required.

ZUMBA CLASS DESCRIPTIONS

Zumba classes are high-energy fitness classes that combine dance and aerobic exercises set to lively, upbeat music. Instructors lead participants through a series of choreographed moves that incorporate the elements of salsa, merengue, and other dance styles. Zumba is designed to be fun and accessible for all fitness levels, providing a full-body workout that improves cardiovascular health, coordination, and endurance.

Zumba Gold - Zumba Gold is a series designed specifically for active older adults, beginners, and other special populations that may need modifications for success. This program emphasizes the basics and is so easy to follow that people of any age can do it! It's a refreshing Latin-inspired dance-fitness program that includes Merengue, Salsa, Cumbia, Flamenco, and Tango and is guaranteed to provide a safe and effective total-body workout.

Zumba Toning - This program takes the original Zumba® dance-fitness class to the next level by utilizing an innovative muscle training protocol and adding lightweight dumbbells. Created to emphasize muscle work and rhythms, this combination of cardio and dynamic resistive exercises effectively uses progressive lightweight training to improve overall performance. This Latin-inspired dance 'n tone program also includes, a combination of rhythms within the same songs, which adds to the fun and flavour.

Zumba - Zumba is a Latin-inspired dance fitness class that incorporates Latin and international music and dance movements, creating a dynamic, exhilarating, and effective fitness program. Zumba Fitness uniquely combines fast and slow rhythms that tone and sculpt the body using an aerobic fitness approach, providing a unique blend of cardio and muscle-toning benefits. It also creates a party-like atmosphere that provides a non-intimidating environment for non-dancers.

YOGA CLASS DESCRIPTIONS

Flow Rise and Shine All levels

Flow through a melodic meditation with motions designed to cultivate a connection between the breath and body movement. Registration is required.

Gentle Stretch and Relax

Join us for a relaxing, soothing, and rejuvenating yoga class tailored to participants of all levels. In a welcoming and supportive environment, our experienced yoga teacher guides you step-by-step through a gentle, slow, and easy-to-understand practice, ensuring a beginner-friendly and non-intimidating experience. All sessions are floor-based, offering a combination of non-weight-bearing, hands-free postures, myofascial release techniques, meditation, and mindful breath awareness. Yoga props and mats are provided for your convenience, so you can entirely focus on your practice without any equipment worries.

Gentle Chair

Moving gently through meditative poses and using a chair allows the yoga practice to be accessible, low-impact and supportive. This practice is beneficial for older adults, as well as those with limited mobility or recovering from an injury. Registration is required.

Ayana

Build strength, mobility and stability. Sign up weekly online, by phone, or in person, starting 24 hours in advance. Registration is required.

Kaiut

The Kaiut Yoga Method is a practice for EVERYBODY – and EVERY BODY! It is based on simple shapes/poses to create a yoga format accessible to everyone, regardless of flexibility, strength, age or experience. It is designed to work through injuries and chronic pain, general aches and stiffness and as a tool to assist with stress management. A biomechanical yoga practice focusing on the joints rather than muscle stretching is intended to increase freedom of movement and restore the natural structure. Registration is required.

Vinyasa Flow

Flow through a melodic meditation with motions designed to cultivate a connection between the breath and body movement. Registration is required.

Restorative Moonlight

Unwind from your day with this gentle, slow, and restorative Hatha Yoga class. Primarily practiced close to the floor and/or at a wall, this class is for everyone who wants to experience the art of stillness, guided breathing exercises for more profound relaxation, and a deep connection to body and mind. The class is beginner-friendly but requires practicing on hands and knees, sitting on the floor, and the back for more extended periods. Registration is required.

Morning Flow

This Yoga class will focus on the fundamentals and breath work. Working with the physical body can release stored tension and create space. There is a balance between effort and surrender. Working with the breath can still cause fluctuations in the mind, allowing the body and mind to align. Practised more slowly with static postures, each pose will be supported by providing different options. Registration is required.

Yin Restorative

A gentle yet powerful and therapeutic practice to soothe the nervous system, enhance immune function, promote recovery, and refill the energy cup. Combining Yin and restorative yoga postures along with breathing and meditation techniques that suit all ability levels. Yoga props and modifications are offered, but participants must be able to practice on a yoga mat as all postures are practiced close to the floor. Registration is required.

Athletic

This yoga class combines functional movement to enhance your natural range of motion, yoga conditioning for strength and resilience, anti-inflammatory Yin Yoga for tissue health and Restorative Yoga for recovery. You will also practice breathwork, meditation, and mental exercises tailored to the needs of athletic, active people. Improve your overall (casual and/or professional) athletic performance, and get ready for your next long run, big game, or competition! Registration is required.

Hatha

This Hatha Yoga class will focus on the fundamentals and breathwork. Working with the physical body can release stored tension, creating space. There is a balance between effort and surrender. Working with the breath can still the fluctuations of the mind, allowing the body and mind to align. Practiced more slowly with static postures, each pose will be supported by providing different options. Registration is required.
